SIMPLY IMAGINE

ROOM SERVICE

BEAUTIFULLY CRAFTED HOTEL BATHROOMS

sottini
SIMPLY IMAGINE

Redefining the standard for hotel bathrooms.

Crafted for outstanding impact

Sottini bathrooms encapsulates impeccable design with an alliance in form and function, the ultimate vision for discerning architects and specifiers aiming to provide world class quality within their hotel bathroom, with product that expresses simplicity and confidence.

For centuries, the Sottini brand has been synonymous with crafting bathrooms dedicated to the finer detail, combining the best classical design with the latest technology. Started by two brothers, Antonio and Guiseppe Sottini in Italy, the brand continues to deliver exceptional timeless elegance with modern innovation.

Sottini not only provides exceptional quality bathrooms, but a real understanding of the demands to the non-residential market. This knowledge of increasing regulation and the need for improved resource management guarantees you'll find the right sanitary products for your non-residential project.

Sottini - simply imagine.

It's an unconscious routine, almost a ritual, that happens when a guest walks into a hotel room; drop the bags, check the view, inspect the bathroom.

Today's guest demands a lot from their bathroom, they expect to be impressed, they hope to be intrigued. And they want to have nothing like it at home.

Hotel Products

04	Grand Refinement
08	Contemporary Luxury
14	Classically Elegant
18	Urbane Indulgence
20	Stylish Space
24	Sophisticated Glamour

Dazzle guests the moment they walk through the door with exquisite washrooms that surprise with unsurpassed facilities and beautiful, ergonomic shapes. Totum basins with wall mounted taps inspire with minimalistic design and soft, sculptured curves.

Ombro washbasin, Ciane basin mixer, Aridian waterless urinal.

Norms and standards

The right specification

Specifying a hotel bathroom can carry with it a huge number of considerations that must be taken into account to ensure that legal, operational and customer requirements are satisfactorily met. Our dedicated Sottini hotel team are on hand to help you with any of the below considerations.

- BIM; we have over 2,000 BIM models created by our in-house team. Talk to us today about any questions you may have relating to incorporating our models into your plans

- Part M specifies that 1 in 20 hotel rooms have to be wheelchair accessible. We take these requirements seriously and can provide any technical advice necessary on what you need to do and corresponding product that can ensure your bathroom is both functional and as beautiful as every other room in the hotel

- We understand that your Sottini en suite bathroom needs to look the part for many years after installation which is why we are available to suggest product that is easy to maintain and clean, whilst a 24 hour support line can provide spare parts quickly and efficiently

- Should you experience any issues with your Sottini bathroom, our dedicated team are on hand to help you with any problems or breakages throughout the life of your bathroom

- When it comes to water saving and the environment, we pride ourselves on the large number of BREEAM compatible and water label listed products available. If you have a target water usage per bedroom, we can help you achieve the most efficient ratings

- Our 3D visualisation service enables you to see exactly what your proposed bathroom or washroom will look like before installation, assisting you to bring your vision to life and share with colleagues and clients easily

- Sometimes an outside eye can look independently at your product choices and combinations and make new suggestions to improve your plans or suggest something you would never have thought about. Speak to a member of our Sottini team to make sure your solution is both ergonomic, environmentally friendly, functional and above all, beautiful

“The Bath Room is a unique resource facility, delivering a showcase of expertise coupled with the capability to offer unrivalled design service allowing the complete bathroom specification package to be created.”

Lucy Stokes, Director.

Architects paradise

The Bath Room

In the heart of London's Clerkenwell district, in an old space re-imagined by Ben Kelly Design, Sottini products are displayed in a constantly evolving environment, creating a unique opportunity to evaluate the ultimate in contemporary bathroom and washroom design.

The Bath Room is a hub of inspiration, information and contemplation for architects and interior designers. A facility devoted to the very best

that Sottini has to offer, established with the purpose of firing your imagination and assisting you at each stage of the design process. Professional work-stations, well equipped meeting rooms and building-wide WiFi are available to help you and your client get the most from your visit.

With its own interior designer and a team that can advise on the latest technology as well as legislation and

regulation, The Bath Room is a centre of excellence dedicated to helping you create the optimal bathroom or washroom.

Guarantee

Lifetime

All ceramic products

5 years

On taps and mixers, toilet seats and cistern fittings

10 years

On shower enclosures and trays

25 years

On acrylic baths

Our confidence in the quality and reliability of our product allows us to offer outstanding extended guarantees on all our products – where the product fails within 5/25 years/lifetime we offer a free replacement or replacement part (or nearest equivalent). So when your washroom and bathroom has been satisfactorily installed and is working well, please ensure you register your guarantee.

Liability is limited to individual products and the guarantee does not cover the consequential loss or damage or installation costs. This guarantee does not affect your statutory rights. Products must be installed, used and cared for in line with our fixing instructions and local water regulations, and room must be adequately ventilated.

Parts (eg. flushvalves) are guaranteed for five years and will be replaced if found to be faulty. The guarantee does not cover general wear and tear. Applies to UK and Republic of Ireland only.

Colours printed in this book are as near as possible to the manufactured range of Sottini quality bathrooms. For accurate comparisons of colours, see actual ware on display at Sottini retailers. Our policy is one of continuous improvement and we reserve the right to change specification and design at any time without notice.

All measurements are in centimetres and are approximate. Products can be subject to tolerances due to manufacturing processes.
